

## Fact Sheet

### *Introduce a Girl to Engineering Day - 2020*

#### **Overview:**

Introduce a Girl to Engineering Day is a global movement that Collins Aerospace has adopted as part of [Redefining Futures](#), our Corporate Social Responsibility program. Our goal is to inspire female students to consider the exciting careers available in Science, Technology, Engineering and Mathematics (STEM).

Events like these are critical to keeping these girls engaged, many of whom are destined to be our next great innovators.

#### **Events:**

From Feb. 20, to March 6, 2020, over 1,000 employees at 55 Collins Aerospace locations spanning eight countries will host more than 2,300 female students for Introduce a Girl to Engineering Day.
