Collins Aerospace is built to move the world forward. And every
day, we’re imagining new ways to make the skies and the spaces
we touch smarter, safer and more amazing. We don’t just dream
up ideas that can change the world – we design, manufacture and
service unmatched intelligent solutions for our global aerospace
and defense customers. We are redefining aerospace.

**AIRBUS A320**

**AIRFRAME**
- Nacelle systems

**AVIONICS**
- Communications equipment
- Information systems
- Navigation systems
- Surveillance systems

**CABIN**
- Cabin pressure control systems
- Galley inserts
- Interior and exterior lighting
- Passenger and crew oxygen systems
- Passenger service unit
- Seating

**MECHANICAL**
- Actuation systems
- Flight controls
- Trimmable Horizontal Stabilizer Actuator
- Wheels and brakes

**POWER SYSTEMS**
- Electrical power systems
- Engine controls and accessories
- Ram air turbine

**SENSORS**
- Air data
- Cockpit door video
- Engine
- Ice detection
- Overheat protection systems
